# Garden JOURNAL

**Bugs, Humans and Soil!**

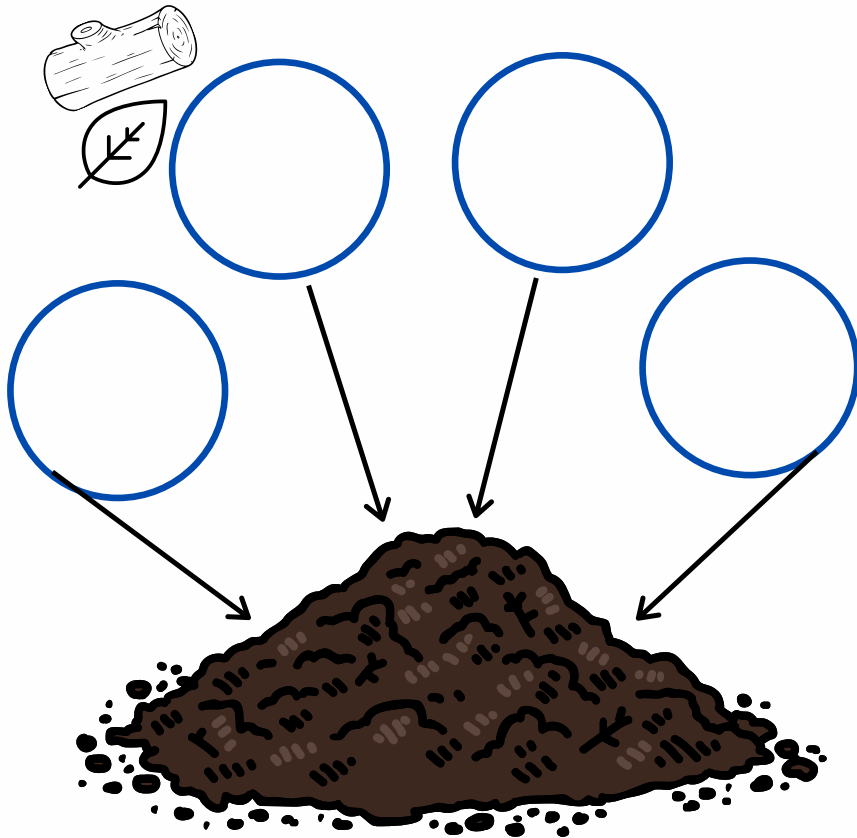

# LESSON #1: SPACE TRAVELERS

How does soil form?

---

---

What are 4 things that make up soil?

1

Define Phytonutrient:

---

---

Draw and color fruits and vegetables that help your EYES.

Draw and color fruits and vegetables that help your BRAIN.

Draw and color fruits and vegetables that help your SKIN.

6

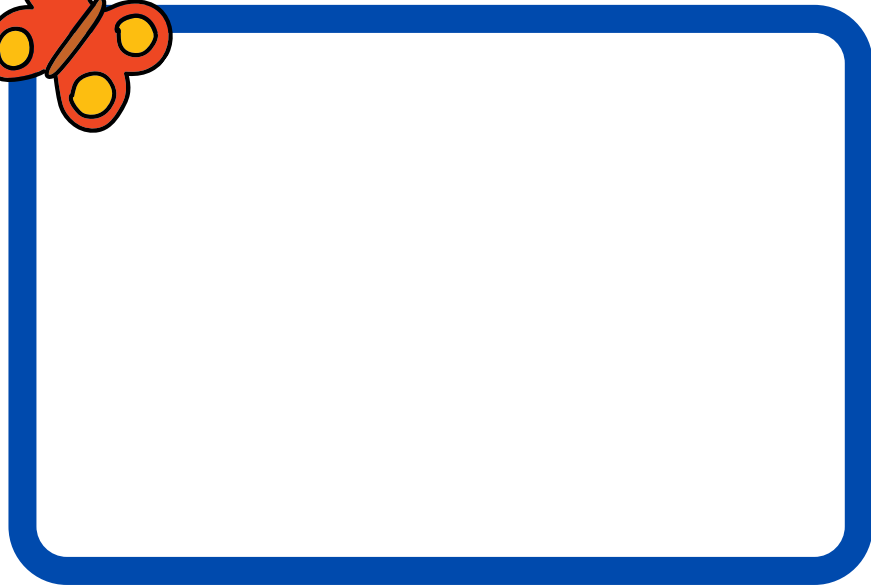

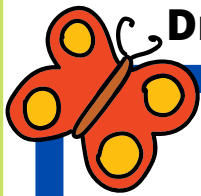

# LESSON #2: BUGGY DINER

Make a list of as many pests and beneficial insects that you can think of:

Pests	Beneficial Insects

Draw a habitat for insects!

3

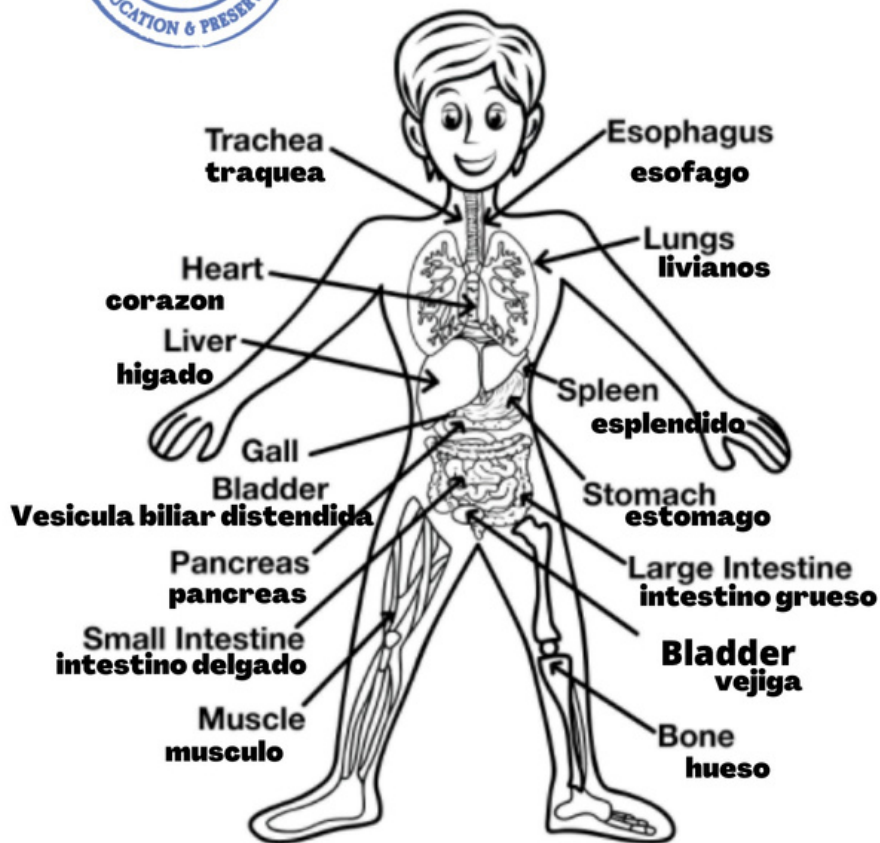

Color everything that is an INSECT

4

# LESSON #3: EAT A RAINBOW

# EAT THE RAINBOW

## Let's review our soil terms!

# Soil

Let's play a game! Can you find all the words about soil? Circle them as you find them. Have fun!
