# Garden JOURNAL

**Bugs, Humans and Soil!**

# LESSON #1: SPACE TRAVELLERS

**Color me!**

**Soil is formed from rocks and plants breaking down.**

**1**

**Eating colorful foods makes your body healthy. Color in the body with all the colors of the rainbow.**

**6**

# LESSON #2: BUGGY DINNER

Color the different insects that help the garden!

Butterflies

Ladybugs

Spiders

Bees

3

If you had a pet bug, what would you feed it? Circle what bugs eat.

4

## LESSON #3: EAT A RAINBOW

Draw a fruit or vegetable of each color:

RED

GREEN

ORANGE

YELLOW

5

I want to grow food on planet Zog!

Draw what a plant needs to grow.
